

Official Announcement

The Gandhi Mandela Foundation (GMF) is pleased to announce that a **Memorandum of Understanding (MOU)** was formally signed on **Monday, 2 March 2026**, between the Gandhi Mandela Foundation (GMF) and the International Diaspora Foundation (IDF), Mexico.

This Memorandum of Understanding establishes a structured framework for collaboration between both institutions, with the shared objective of advancing **education, peace, ethical leadership, women's empowerment, child development, and social transformation** at local, regional, and global levels.

Under this agreement, the parties commit to exploring and developing joint initiatives, academic cooperation, research activities, public dialogues, and programs aligned with their common values and missions.

In support of this collaboration, the **Gandhi Mandela Foundation is proposed as a neutral, globally oriented forum**, serving to convene diverse organizations, institutions, and individuals. Through this role, GMF will facilitate dialogue, cooperation, and coordinated action in favour of **peace, human rights, and equitable access to quality education**, fostering inclusive and sustainable social impact.

This MOU reflects the mutual commitment of both institutions to ethical leadership, intercultural understanding, and the promotion of peaceful and just societies through knowledge, cooperation, and shared responsibility.
